Sunday School

Lesson Notes

Today in Sunday School, the children learned how Jesus revealed Himself to the disciples after Easter in another miraculous catch of fish (John 21:1-14). As a family, talk about how Jesus reveals Himself to us in the means of grace, calling us to be disciples and giving us Easter joy. Especially discuss the blessings of Baptism and how through water and God's Word each of us puts on Christ. What does that mean for your lives now and in eternity?

Men's NetWork Fishing Tournament

The Second Annual Men's NetWork North American fishing Tournament May 1. All the registration info and contest rules are found at www.lhmmen.com Best of all, it's cheap. Ten bucks gets you registered for the entire contest, and we'll even toss you a hat and a micro-line clipper. (You have to see it to believe it.)

In the area of fish, we're impressed with anything that has a pulse. In the "strangest non-fish thing" category, something like a sofa or a recliner would be impressive.

Registration is now open. We look forward to you getting on board.

Altar Flowers

The lovely flowers on the altar this morning were given to the glory of God in honor of Al and

Gene Dube's 57th wedding anniversary.
